TOP 5 THINGS

TO DO IN CYPRUS THIS SUMMER

5. Set Sail!

Cyprus looks just as great from the sea as it does on the land and our coastlines are amongst the most beautiful in Europe. Take a boat trip from Larnaca, Limassol, Paphos or one of the smaller ports on the island and explore Cyprus by sea. There are a variety of boat trips available so whether you fancy snorkeling, dolphin-watching, sea turtle-spotting or water sports there is something here for you!

4. Head for The Hills!

The Akamas peninsula in the west of the island offers miles and miles of untamed wilderness, wild flowers and craggy hills. Take a group jeep safari up to Akamas for an adrenaline packed experience with a culture twist. Alternatively head for the famous Troodos Mountains where the cool mountain air, stunning views and traditional tavernas make for a relaxing break from the hot Cyprus sun!

3. Eat, Drink and Be Merry!

There are hundreds of wineries across Cyprus where you can sample the local wines and enjoy a meze meal with a variety of tasty Cyprus dishes. September visitors should make a point of visiting the annual wine festival in Limassol for a really fun taste of Cyprus!

2. Step Back In Time!

Cyprus is jam packed with archaeological gems and even if it's not your thing we recommend you try to visit at least one! The famous Greco-Roman Amphitheatre Kourion is perched on a cliff top near Limassol and provides incredible views and frequent shows from theatre groups and performers. The Pafos Mosaics have been acclaimed as some of the best examples of Roman floor mosaics and then there's the Basilica of St Epiphanius, the temple of Zeus Salaminios and the many historically significant monasteries and mosques of the island.
